

# University of Washington Undergraduate Advising Report

**Student:** Jane Doe  
**Advisor:** Dr. Michael Evans  
**Date:** October 18, 2025

## Meeting Summary

Jane met with her advisor to review her standing in the Informatics program. She's performing well academically but should prioritize managing workload and exploring specialization options.

## Academic Goals

- Explore Data Science and Cybersecurity pathways
- Plan Winter 2026 course schedule early
- Maintain current GPA for capstone eligibility

## Action Items & Recommendations
